

Parking

Tillman Hall is the building with the clock tower. Parking is allowed in places marked with green lines. The largest parking lots nearest Brackett Hall (where most of the meeting events are taking place) are the lot between Sikes and Martin Hall, and the lot on the west side of Surrine Hall (the building highlighted in red). The Martin lot may fill up quickly on Friday, as there is a conference (on Friday only) in Daniel Hall (the building below the marker for Jordan Hall) and in part of Martin Hall. There is some parallel parking along streets as well, in places marked with green lines. Those attending the dinner at Clemson House may find it convenient to park there and walk down to Brackett.

Visitor parking passes are necessary and will be available (for free) at the registration desk in Brackett.

Martin M-bldg (site of two short courses) is the furthest, of three coupled buildings, from Sikes Hall.

Hotels: Comfort Inn and Sleep Inn are right across 123 from Ramada Inn. Days Inn is also across the street from Ramada Inn and ¼ mile to the east.
