## Directions to Fluor Daniel Building from the Ramada Inn

This map shows how to get from the Ramada Inn to the Fluor Daniel E.I.B. building. (You can ignore the diversion to the Alumni Center).

There is a large parking lot behind SIRRINE Hall (between the labels 'SIRRINE Hall' and 'Hunter Laboratory' on the map).

If you need a parking pass, let Kelli Blankenship know ([cochran@clermson.edu](mailto:cochran@clermson.edu)) and we'll have a pass for you to pick up at the Fluor Daniel Building Monday morning.
