Then answer the following questions, using complete sentences.

1. *Was there anything in the list of Level One violations that surprised you?*
2. *Was there anything in the list of Level Two violations that surprised you?*
3. *Previously, I have not strongly reminded/enforced the rule of citing collaborators and/or sources. What sort of violations likely incurred, out of carelessness, rather than malicious intent?*
4. *Suppose you get stuck on a homework problem and Google the solution, but learn and understand it, and write it up independently in your own words. In your view, is this acceptable, and if so, how would you cite and phrase it?*
5. *As the instructor, if I see an obvious Level One violation, even if I think it is likely accidental, what are my obligations regarding notifying the student, department, and Graduate School? Do you have any thoughts or feedback on this?*
